

TORBAY RAMBLING CLUB

WELCOME TO THE CLUB!

Torbay Rambling Club (TRC) is a well-established local club for people who love walking. We walk around Torbay and the surrounding area, often starting near a bus route or members may car share. Walks are organised and led by members and usually range from 5 to 12 miles. There are walks on Saturdays, Sundays and Wednesdays, as well as occasional social events, so come along and enjoy the views and the company.

Torbay Rambling Club's Safe Rambling Code

For the safety and enjoyment of all, members must familiarise themselves with, and comply with Torbay Rambling Club's Safe Rambling Code.

- a) Only walk if you are sufficiently fit and able to complete the walk as described on the programme.
- b) Wear stout boots/walking shoes and consider using poles or a stick over rough ground. The leader reserves the right to not include you if you are inappropriately equipped. (For more detail see [Clothing and Equipment](#) on our website).
- c) Bring a waterproof jacket and trousers, warm clothing and sunscreen as appropriate.
- d) Take sufficient food and drink.
- e) Walkers are advised to carry a mobile phone, whistle, personal first aid kit and their [In Case of Emergency Card](#) (details of any medical conditions and details of whom to contact in case of incident). Best practice – add the leader's phone number in case of separation from the group.
- f) Walk behind the leader and in front of the back marker and tell the leader and back marker if you leave a walk early, or one of them if you go off track for a comfort stop.
- g) Keep sight of the person in front of you and walk at a reasonable pace.
- h) Abide by [The Countryside Code: advice for countryside visitors](#) including "Be nice, say hello, share the space."
- i) Follow the leader's instructions regarding single file walking, crossing roads, closing gates etc.
- j) Fluorescent vests should be worn when road walking if you have one.
- k) All members must treat each other with respect, kindness and courtesy. Members must respect the rights and dignity of fellow members regardless of age, gender, ability, race, cultural background, religious beliefs or sexual identity.
- l) All dogs taken on a Torbay Rambling Club walk must always be kept on a short static lead, except if being chased by cattle when the dog should be unleashed for the owner's safety.

Programme and Membership:

The walks and social events programme is available on our website torbayramblingclub.org.uk.

The annual subscription (currently £7) runs from 1st November. However, joining in September or October will carry your membership through to the following November. Prospective members are welcome to join us for up to 3 walks before applying for membership.

Members walk at their own risk:

Walks are over varied terrain and may include road walking, moorland and coastal paths, trip hazards such as boulders, cattle grids and tree roots, stiles, slippery ground, ascents and descents. Consider the difficulty of the advertised walk and remember that you walk **at your own risk**.

TRC's insurance is for public liability cover only, **not for personal accident cover**.

No liability will be accepted by Torbay Rambling Club or any officer, member of the committee, walks leader or other, for any accidents or injuries however caused. All persons walking with or taking part in any event organised by Torbay Rambling Club, its members or members of the committee do so at their own risk.
