

TORBAY RAMBLING CLUB

St Austell Holiday

Monday 6th October to Friday 10th October 2025

In order to cater for diverse accommodation preferences, the club is not booking a hotel. This means that you as members have the opportunity of choosing and **booking your own accommodation** to suit your budgets and preferences. A selection of ideas is included below.

In order to reduce costs, **the club will not be taking a coach**. We will therefore travel by train to St Austell. The station is located in a convenient central location. Public transport is good in this area and all walks can be accessed through the use of buses. We will co-ordinate train times to St Austell nearer the time.

(NB. The Club will be asking holiday participants to cover the cost of any recce expenses so a fee per head will be charged. Amount to be decided.)

Numbers will be limited so if you would like to participate please message Anne-Marie on **07713 183649** before you book your accommodation .

We are hoping to offer a selection of walks (easier and more challenging) so if you would be happy to **lead a walk**, please let Anne-Marie know (07713 183649). The more leaders we have, the more options we will be able to offer to members.

Some ideas for walks are included below but bear in mind that these are **only ideas at this stage**. What we can actually offer will totally depend on the number of walk leaders who provide their services. Last minute changes will need to be made to allow for weather conditions and 2025 bus times.

If you have any local knowledge of St Austell, particularly ideas for where we could meet up socially in the evening as a group, please let Anne-Marie or Kevin know.
